

## User Manual for the Metal Anal Plug

Congratulations on your new Metal Anal Plug with Crystal!

This luxurious aluminum anal plug combines functionality with elegance. Its smooth, tapered design, along with the decorative crystal, ensures a pleasurable and stylish experience. The product offers a unique temperature response, allowing for enjoyment in both warm and cool ways. Please read the following instructions carefully to ensure safe use and care of your new toy.

### 1. Preparation and Use

1. **Cleaning:** Always clean the anal plug thoroughly before and after each use with warm water and mild soap or a special toy cleaner. Rinse well and ensure it is completely dry.
2. **Lubrication:** Use a water-based or silicone-based lubricant to ease insertion and enhance comfort.
3. **Temperature Play:**
  - For a warming experience: Submerge the plug in warm water for a few minutes before use.
  - For a cooling effect: Place the plug in the refrigerator briefly. Always test the temperature before use to avoid burns or excessive cold.
4. **Insertion:** Apply a generous amount of lubricant to both the plug and the intimate area. Insert the plug slowly and gently to ensure maximum comfort.
5. **Wearing Comfort:** The narrow neck of the anal plug ensures that it can be worn securely and comfortably. Wear the plug for as long as it feels comfortable, and remove it slowly as well.

### 2. Cleaning and Care

- **After Use:** Clean the plug thoroughly with warm water and mild soap or a special toy cleaner. Make sure to remove all residue.
- **Drying:** Allow the toy to air dry or use a soft, lint-free cloth.
- **Storage:** Store the toy in a dry, clean place. Avoid direct contact with other materials or toys to prevent damage.

### 3. Safety Instructions

- **For Personal Use Only:** Do not share the plug with others to minimize the risk of infections.
- **Use Adequate Lubrication:** This reduces the risk of injury and ensures a pleasurable experience.

- **Gentle Use:** Insert the plug slowly and gently. If you experience pain, discomfort, or unexpected reactions, stop use immediately and consult a doctor if necessary.
- **Do Not Use if Damaged:** Inspect the toy for visible damage before each use. Do not use it if cracks, deformations, or other damages are present.
- **Maintain Hygiene:** Clean the toy thoroughly after each use to avoid the risk of infections.
- **Mind the Temperature:** Ensure that the plug is not too hot or too cold before inserting. Always test the temperature with your hand to avoid injury.
- **Keep Out of Reach of Children:** Store the product away from children and pets.
