

Instructions for Use - Latex Powder (Magnesium Silicate Hydrate)

Perfect Care for Your Latex Products

Product Description

Our high-quality latex powder has been specially developed for the care and dressing assistance of latex clothing. It helps keep your latex items smooth and makes dressing easier by reducing friction. Thanks to the practical dispensing container, application is simple and mess-free.

Application

1. **Preparation:** Thoroughly clean your latex clothing with a suitable cleaning agent and allow it to dry completely.
2. **Application:** Apply a small amount of latex powder to a lint-free cloth or directly into your hands.
3. **Spread:** Evenly distribute the powder over all latex surfaces, both inside and out. Avoid contact with eyes and mucous membranes.
4. **Dressing:** The powder treatment reduces friction, making it significantly easier to put on your latex clothing.
5. **Storage:** To protect your latex items during storage, you can apply a thin layer of powder again after wearing.

Benefits of Latex Powder

- **Cares and Protects:** Protects your latex clothing from tears, drying out, and premature wear.
- **Dressing Aid:** Reduces friction between skin and latex, making dressing easier.
- **Odorless:** Pure, odorless talcum powder, free from disturbing scents.
- **Long-lasting Protection:** Prevents latex surfaces from sticking together and ensures long-lasting durability of your items.

Product Details

- **Content:** 100g
- **Color:** White
- **Main Ingredient:** Talcum (Magnesium Silicate Hydrate)

Warnings and Safety Instructions

- **Caution!** For external use only. Avoid contact with eyes, mouth, nose, and mucous membranes.

- **Do not inhale:** Inhaling talcum powder may irritate the respiratory system. Be careful not to disperse the powder into the air.
- **Keep out of reach of children:** Ensure that the product does not fall into the hands of children, as it may be ingested or inhaled.
- **Do not use on broken skin:** Do not apply powder to open wounds or irritated skin.
- **Storage:** Store in a cool, dry place, away from direct sunlight.
- **Avoid slipping hazards:** Overuse on the floor may cause slipping hazards. Only use the necessary amount.

Note: This product is intended solely for the care of latex clothing. If you have any questions about its use or if skin irritation occurs, consult a doctor or specialist.
