

Instructions for Use and Safety Information for Latex Care Oil - Silicone Oil (Polydimethylsiloxane)

Product Description:

Our Latex Care Oil is specially designed to optimally care for your latex clothing, providing a radiant high-gloss finish while making dressing easier. It prevents latex materials from sticking together and maintains their flexibility.

Application Steps:

1. **Cleaning the Garment:** Before using the care oil, thoroughly clean your latex clothing with a suitable cleaning agent and allow it to dry completely.
2. **Applying the Care Oil:** Apply a small amount of latex care oil to a lint-free cloth or directly onto your hands. Evenly distribute the oil over the entire surface of your latex clothing until it is fully coated.
3. **Care and Shine:** Pay special attention to high-stress areas, such as seams and folds, when applying the oil. This will help the material stay supple, flexible, and maintain an attractive shine.
4. **Ease of Dressing:** To make dressing easier, you can apply a small amount of the care oil directly to your skin or the inside of your latex clothing. This reduces friction and enhances wearing comfort.

Warnings:

- **Not for Consumption:** This product is for external use on latex materials only. Do not swallow or ingest.
- **Avoid Contact with Eyes:** In case of contact with eyes, rinse thoroughly with water. If irritation persists, seek medical attention.
- **Keep Out of Reach of Children:** The product must not be accessible to children.
- **Slippery Surfaces:** Silicone oil can create slippery surfaces. Be sure to remove any excess oil from floors or other smooth surfaces to prevent accidents.

Safety Information:

- **Fire Hazard:** Silicone oil is flammable. Keep away from open flames, ignition sources, and excessive heat.
- **Storage:** Store the care oil in a cool, dry place. Avoid direct sunlight to maintain the quality of the product.
- **Disposal:** Do not pour product residues into drains, toilets or bodies of water. Dispose of the contents and packaging in accordance with applicable local regulations. Contact your local waste authority for information on the appropriate

disposal route. Completely empty packaging must be disposed of in accordance with local rules.

Product Details:

- **Content:** 100 ml
- **Main Ingredient:** Polydimethylsiloxane (Silicone Oil)
- **Odorless and Colorless**

Shelf Life:

For the best care and protection of your latex clothing, use the care oil within 12 months of opening the bottle.

With our Latex Care Oil, you get not only easy application and care but also the perfect solution for radiant shine and maximum comfort.
