1. Introduction

The silicone anal plug is an erotic product designed for anal stimulation. It is made from high-quality, body-safe silicone, which is hypoallergenic, soft, and flexible. The anal plug can be used by both beginners and advanced users.

2. Warnings

- **For external use only:** This item is exclusively intended for anal use. Do not swallow or use it in any other way.
- **Do not use if in pain:** If you experience any pain or discomfort during use, stop immediately.
- **Avoid use with injuries:** Do not use the anal plug if you have open wounds, inflammation, infections, or other injuries in the anal area.
- **Do not use with allergies:** Do not use the anal plug if you have a known allergy to silicone or any other materials in this product.
- **Not a contraceptive:** The anal plug is not a contraceptive and does not protect against sexually transmitted diseases.

3. Safe Usage

1. Preparation:

- Clean the anal plug thoroughly with warm water and mild soap or a special toy cleaner before the first use and after each subsequent use.
- Use a generous amount of water-based lubricant to make insertion comfortable and safe. Do not use silicone-based lubricants, as they can damage the material.

2. Insertion:

- Relax and find a comfortable position, such as lying on your back or squatting.
- Slowly and gently insert the anal plug, applying plenty of lubricant as you do so.
- Pay attention to your body, taking gradual steps to avoid discomfort.

3. During Use:

- Use the anal plug only for a limited time (maximum of 30 minutes for beginners) and always be mindful of your sensations.
- Gently and carefully remove the plug when you wish to end use.

4. Cleaning and Care

- **Cleaning:** Clean the anal plug after each use with warm water and mild soap or a special toy cleaner. Ensure all residues are thoroughly removed.
- **Disinfection:** Once or twice a month, you can disinfect the plug by boiling it in water for 2–3 minutes, provided there are no electronic components.
- **Drying:** Allow the plug to air dry completely before storing it.

5. Storage and Disposal

- **Storage:** Store the anal plug in a clean, dry, and cool place, separate from other toys to avoid material reactions.
- **Disposal:** If the plug is damaged or worn out, dispose of it in household waste. Do not flush it down the toilet. Ensure the plug is disposed of out of reach of children and pets.

6. Safety Information

- **Material check:** Inspect the anal plug for cracks, wear, or other damage before each use.
- **Age restriction:** This product is for adult use only. Keep out of the reach of children.
- **No sharing:** For hygienic reasons, the anal plug should not be shared with others.
- **Medical advice:** If you are unsure or have health concerns, please consult a doctor before use.

By following these instructions, you can ensure that your silicone anal plug is used safely and hygienically.
