1. Introduction

The silicone anal plug is an adult product designed for anal stimulation. It is made from high-quality, body-safe silicone that is hypoallergenic, soft, and flexible. The anal plug is suitable for both beginners and experienced users.

2. Warnings

- **For external use only:** This product is intended exclusively for the anal area. Do not swallow or use for any other purpose.
 - **Do not use if in pain:** If you experience pain or discomfort during use, stop immediately.
 - **Do not use on injuries:** Do not use the anal plug if you have open wounds, inflammation, infections, or other injuries in the anal area.
 - **Allergy warning:** Do not use if you have a known allergy to silicone or any materials contained in this product.
 - **Not a contraceptive:** This product is not a contraceptive and does not protect against sexually transmitted diseases.
-

3. Safe Use

1. Preparation:

- o Clean the anal plug thoroughly with warm water and mild soap or a specialized toy cleaner before first use and after each subsequent use.
- o Use a sufficient amount of water-based lubricant to ensure a smooth and safe insertion. Do not use silicone-based lubricants, as they may damage the material.

2. Insertion:

- o Relax and find a comfortable position, such as lying on your back or squatting.

- o Insert the anal plug slowly and gently, using plenty of lubricant.
- o Pay attention to your body and proceed gradually to avoid discomfort.

3. During Use:

- o Use the anal plug only for a limited time (maximum 30 minutes for beginners) and always follow your personal comfort level.
 - o Remove the plug slowly and carefully when you wish to stop using it.
-

4. Cleaning and Care

- **Cleaning:** After each use, clean the anal plug with warm water and mild soap or a specialized toy cleaner. Ensure all residues are thoroughly removed.
 - **Disinfection:** Once or twice a month, the plug may be disinfected by boiling it in water for approximately 2–3 minutes, provided it has no electronic components.
 - **Drying:** Allow the anal plug to air dry completely before storing it.
-

5. Storage and Disposal

- **Storage:** Store the anal plug in a clean, dry, and cool place, separate from other toys to prevent material reactions.
 - **Disposal:** If the plug becomes damaged or worn, dispose of it in household waste. Do not flush it down the toilet. Ensure it is disposed of out of reach of children and animals.
-

6. Safety Information

- **Material check:** Inspect the anal plug before each use for cracks, wear, or other damage.
 - **Age restriction:** This product is intended for adults only. Keep out of reach of children.
 - **Do not share:** For hygiene reasons, do not share the anal plug with others.
 - **Medical advice:** If you have any concerns or health-related questions, consult a doctor before use.
-

By following these instructions, you can ensure safe and hygienic use of your silicone anal plug.

If you have any further questions, our customer service team will be happy to assist you.

Enjoy safe use and satisfaction,

Your Toylic Team
